**Excisions:** Excisions Recommended And Made

**Reasons for excisions:**

The DVD is devoted to the explicit depiction of sexual activity. One excision to the trailer *Nasty Tails 3* is required to remove images of a woman colliding with the camera in a brief but embarrassing accident that shows her in a highly undignified and unflattering way. The images are followed by extremely degrading, dehumanising and demeaning images of ejaculation. The inclusion of this sequence shows a high degree of contempt for the women involved. In a publication intended for male sexual arousal it degrades, dehumanises and demeans women in general.
